

Cushions

Cushion configurations can be changed on most styles for a charge of \$225 per seat unit. (For example, change a three-cushion style to have only two cushions or a single bench cushion.) To maintain cushions, simply reverse and switch cushions every few months so that they experience equal wear. All cushions are flame retardant, environmentally safe and guaranteed for life. 12" x 12" cushion cut-away samples are available at \$75 each. Standard and optional cushions are listed for each style. (Refer to the pricing section.)

Cushions rate from firmest cushion (*) to softest cushion (****)*

CUSHION OPTIONS

Poly Dacron Seat *

Layers of polyurethane foam and polyester fibers used in tight seat construction.

Firm continuous support. Holds shape and gives crisp, tailored look. Hypo-allergenic cushion. Paired with the Poly Dacron Back.

Spring Blend Down Seat **

Coil spring "Marshall" unit in polyurethane foam core, surrounded by a blend of 50% polyester fibers and 50% blend of 90% duck feathers and 10% down in separate channels to prevent shifting.

Down softness combined with resilient innerspring core. "Comfort Crown" look for maximum elegance. Paired with the Blend Down Back.

Majestic Seat ***

High-density urethane foam core wrapped in polyester and sewn into a channel quilted outer envelope filled with polyester fibers.

Supported with cloud-like softness. "Comfort Crown" down-like appearance. Hypo-allergenic cushion. Paired with the Majestic Fiber Fill Back.

Feather Lux Seat ****

Polyester wrapped high-density urethane foam is placed in a channel-quilted cotton outer envelope with a blend of 50% Ultima Supreme combed fibers and 50% blend of 90% duck feathers and 10% down. This envelope creates a duvet with a zipper closure cover, encasing the foam. The American Bungalow Feather Lux is standard without a zipper.

Rich, soft down comfort combined with a resilient spring-like support and a "Comfort Crown" look for maximum elegance. Ease in handling and maintenance. Paired with the Feather Lux Back.

Eco-Lux Seat ****

High-density soy-based foam is wrapped in polyester and placed in a channel-quilted cotton outer envelope with a blend of 50% Ultima Supreme combed fibers and 50% blend of duck feathers and 10% down. This envelope creates a duvet with a zipper closure cover, encasing the foam.

Rich, soft down comfort combined with a resilient spring-like support and a "Comfort Crown" look for maximum elegance. Ease in handling and maintenance. Paired with the Feather Lux Back.

Easy Down Seat *****

Core of 1.6 lb. high-density foam, laminated top and bottom with an Ultracell® super soft 1-1/2" thick polyurethane core. Urethane foam core completely wrapped in a 2-oz. polyester fiber. Cushion core is then encased in a blended jacket (90% duck feathers and 10% down) with calendered tucking.

Vanguard's most luxurious cushion. The all-down blend and layered foam core create the ultimate in down seating.

Relaxed Down Seat *****

Core of 1.8 lb high density Ultracell polyurethane foam, wrapped in a 2 oz polyester fiber. Cushion core is then encased in a blenddown jacket with 50% continuous down fiber and 50% blenddown (75% feathers and 25% down) with calendered ticking. This cushion construction creates a loose fitting cushion that will show comfort wrinkles and have a relaxed appearance.

To maintain the down appearance of this cushion, it must be fluffed and turned every two weeks.

CORRESPONDING BACKS

Poly Dacron Back

Polyurethane foam and polyester fibers used in tight back construction.

Firm, continuous, hypo-allergenic support. Holds shape giving a crisp, tailored look.

Blend Down Back

Combination of 50% polyester fibers and a 50% blend of 75% duck feathers and 25% down.

Softest back cushion available with the comfort and look of down.

Majestic Fiber Fill Back

Polyester fibers blown into shape-retaining channels.

Superior loft characteristics which prevent "bedding" of fibers. Hypo-allergenic support.

Feather Lux Back

Blend of 50% Ultima Supreme combed fibers and 50% blend of 90% duck feathers and 10% down blown into shape-retaining channels (205 thread count, 100% cotton envelope).

Rich, soft down comfort. Superior loft.

Feather Lux Back

Blend of 50% Ultima Supreme combed fibers and 50% blend of 90% duck feathers and 10% down blown into shape-retaining channels (205 thread count, 100% cotton envelope).

Rich, soft down comfort. Superior loft.

Feather Lux Back

Blend of 50% Ultima Supreme combed fibers and 50% blend of 90% duck feathers and 10% down blown into shape-retaining channels (205 thread count, 100% cotton envelope).

Rich, soft down comfort. Superior loft.

Blend Down Back

Combination of 50% polyester fibers and a 50% blend of 75% duck feathers and 25% down.

Softest back cushion available with the comfort and look of down.

95/5 Down Multi-Back & Throw Pillows

A premium, luxurious down pillow, consisting of 95% down and 5% white down is standard on multi-back pillows and throw pillows.

Cushion Cut-Away

12" x 12" cushion cut-away samples are available at \$75 each.
